About Me

Passionate and self-driven Full Stack Web Developer with hands-on experience in building responsive and scalable web applications. Creator of WonderLust – an Airbnb clone. Skilled in JavaScript, Node.js, React.js, MongoDB, and RESTful APIs. Committed to writing clean, maintainable code and always eager to learn and collaborate with teams to build impactful solutions.

Education

DBATU University

Bachelor in Technology (B.Tech) from Government college of engineering yavatmal

12th (2022) - Maharashtra State Board of Higher Secondary

10th (2020) - Maharashtra State Board of Secondary

Skills

- Languages: Java, JavaScript, HTML, CSS
- Frontend: React.js, HTML5, CSS3, Bootstrap
- Backend: Node.js, Express.js, REST APIs
- Databases: MongoDB, MySQL
- Problem Solving

Projects

WonderLust – Airbnb Clone

Tech Stack: React.js, Node.js, Express, MongoDB

- Developed a full-stack clone of Airbnb with features such as property listings, search filters, user authentication, booking functionality, and responsive design.

- Used REST APIs for backend communication and MongoDB for data storage.

Training & Learning Experience

- Built full-stack projects using the MERN stack through self-learning and online resources.
- Practiced basic Java problem solving on LeetCode.
- Studied software development principles via YouTube and online tutorials.
- Gained understanding of deployment, version control, and API integration.

Certifications

- Apna College | MERN Stack Development Certification | 2025
- NPTEL | Soft Skills | 2024
- NPTEL | English for Competitive Exams | 2025
- NPTEL | Public Speaking | 2025
